Re: Application of Total Environmental Solutions, Inc. for Approval of Contract with the City of Westminster for bulk water service to the Foxwood Hills Subdivision in Oconee County

Dear Mr. Terreni:

Please allow this letter to serve as notification that the Office of Regulatory Staff (ORS) does not oppose the application of Total Environmental Solutions, Inc. for approval of the contract with the City of Westminster for the purchase of bulk water service to the Foxwood Hills Subdivision in Oconee County.

On January 4, 2006, the ORS conducted a site visit and found that construction had been completed for the interconnection of the Foxwood Hills Subdivision water system with the City of Westminster. The location is within the existing service area of Total Environmental Solutions, Inc. and capacity is not an issue in this matter.

The interconnection and contract enables Total Environmental Solutions, Inc. to provide adequate water service to its customers in the Foxwood Hills Subdivision.

Thank you very much. Please contact Mr. John Beach and me if you have any questions or need additional information concerning this matter.

Very truly yours,

Wendy B. Cartledge
